CURRENT SITUATION

Situation Summary:	CAL FIRE and cooperating agencies made significant progress overnight by completing containment lines around the fire. Smoke may be visible today from smoldering heavy fuels well within the containment lines. Fire personnel will be extinguishing these areas today, and will be checking the fire area over the next several days. Safety is our number one priority.
Evacuations:	Evacuations remain as an advisory.
Evacuation Center(s):	None
Road Closures:	All roads are open in both directions. Use caution when driving in the fire area as equipment and personnel may be present.
